

14/01/2016

Dear Dr. Editor,

I wish to submit a new manuscript entitled "DROGAS EN LA CONTEMPORANEIDAD: 100 MILIGRAMOS DE REFLEXIONES/ THE CONTEMPORARY DRUG PHENOMENON: 100 MILLIGRAMS OF REFLECTIONS" for consideration by the the Revista Enfermería Actual de Costa Rica.

I confirm that this work is original and has not been published elsewhere nor is it currently under consideration for publication elsewhere.

In this paper, I report on the phenomenon of drug taking as a binding link the crack case. The paper should be of interest to readers in the areas of public health and international health.

Please address all correspondence concerning this manuscript to [jaimealonso.caravaca@ucr.ac.cr](mailto:jaimealonso.caravaca@ucr.ac.cr)

Thank you for your consideration of this manuscript.

Sincerely,

MsC. Jaime Alonso Caravaca-Morera.

PhD Candidate, Federal University of Santa Catarina, University of Toronto
