Dear Editor,

I wish to submit a new manuscript entitled “EL DISPOSITIVO TRANS: SOBRE REALIDADES, COMPLEJIDADES Y SUBVERSIONES AL APARATO CISHETEROSEXUAL” for consideration by the the Revista Enfermería Actual de Costa Rica.

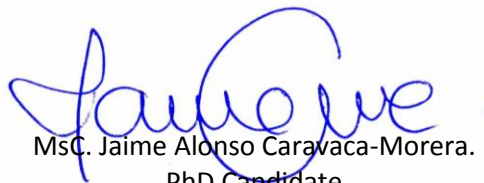

I confirm that this work is original and has not been published elsewhere nor is it currently under consideration for publication elsewhere.

In this paper, I report on the phenomenon of drug taking as a binding link the crack case. The paper should be of interest to readers in the areas of public health and international health.

Please address all correspondence concerning this manuscript to jaimelonso.caravaca@ucr.ac.cr or to jacamorera@gmail.com

Thank you for your consideration of this manuscript.

Sincerely,

MSc. Jaime Alonso Caravaca-Morera.
