Dr. S.K. Singh

Principal Scientist

Division of Plant Improvement, Propagation and Pest Management

Dated: 17th February, 2016

CERTIFICATE

This is to certify that the manuscript entitled “**Molecular diagnosis and intraspecific genetic variability of root pathogens of arid legumes in Western Rajasthan, India**” is original and all co-authors agree with its publication; we meet your ethical requirement; that the importance of our study to tropical biology and conservation is being attached separately; and that we agree to pay excess page fee charges if required, and e- names and e-mail addresses of three possible reviewers are being attached in a separate file.
