Sir(s)
Editorial board
Gestión de la Educación Journal
Escuela de Administración Educativa

Dear Sir(s)

The subscribed as author (s) submit to evaluation of the Gestión de la Educación journal the article named:

About the article under oath I/we declare:

1. It is unpublished and has not been submitted to or published in any other journal, either in print or digital format. In addition, it is not currently under review by another journal.
2. The author(s) retain copyright of the work and authorize Gestión de la Educación Journal to publish, disseminate, preserve, and distribute the manuscript in open access as its first publication, in accordance with the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0).
3. Accept the evaluation conditions of Gestión de la Educación Journal regarding its guidelines, procedures, format, graphic editing, copyediting, and other requirements for publication.
4. Certify that all direct quotations, paraphrases, and bibliographic references are properly identified within the text, ensuring the ethical integrity and reliability of the article.
5. Acknowledge that the opinions, interpretations, results, and conclusions expressed in the article are the sole responsibility of the author(s) and do not necessarily represent the views of Gestión de la Educación Journal or the University of Costa Rica.

6. In the preparation of the manuscript:

- Generative Artificial Intelligence tools were not used.
- Generative Artificial Intelligence tools were used.

If so, please indicate the tool(s) used, the purpose of use, and the section(s) of the manuscript in which they were employed:

Tool(s):

Purpose(s) of use:

- Idea generation
- Support for the theoretical framework
- Identification of the state of the art
- Document synthesis
- Identification of key sources or authors
- Generation of images or other graphical representations
- Support in qualitative data categorization processes
- Text translation
- Verification and preparation of bibliographic references

Other:

Section(s) of the manuscript where the tool(s) were used:

Furthermore, I/we declare that the use of Artificial Intelligence tools does not exceed the limits established by the applicable institutional regulations and that all information generated through such tools has been reviewed, validated, and assumed under the responsibility of the author(s).

Note: The declaration of the use or non-use of Artificial Intelligence tools does not guarantee acceptance of the manuscript. All articles submitted to Gestión de la Educación Journal will be evaluated using Turnitin's iThenticate tool and will be subject to the editorial and peer-review processes established by the journal.

Sincerely,
